**Body Work:** Our body work is warranted free from defects for the LIFETIME the customer owns the vehicle. Any defect of workmanship will be repaired at no cost to the customer. Damage, neglect, and/or abnormal use will not be covered under this warranty.

**Paint Work:** To the extent that we paint your vehicle or any portions of it, we warrant that paint work from any detectable defects for the lifetime of the vehicle from the date we return the vehicle upon completion of repairs. Deterioration of clear coat from normal sun damage will be covered for 7 years. **Conditions of Warranty:** ALL warranty work must be performed at Kims Auto Body or at another facility that we designate in writing. This warranty applies to the owner of the vehicle at the time repairs were completed. Warranty may be TRANSFERRED to the new vehicle owner only after inspection and written approval from KAB. This warranty does not cover damage to areas or parts which we repaired when caused by other parts which were not repaired by KAB. KAB will disclaim any liability for consequential damages, such as but not limited to any claim for reimbursement for loss of use or replacement. KAB will provide a tow to our shop from a distance of less than 50 miles if the car is disabled due to a failure of a part or repair covered by this warranty. If the customer pays a tow, the maximum reimbursement will be \$150. KAB will provide a loaner car during any warranty work completed. We reserve the right to schedule corrective work at any time up to 60 days from our determination that your claim qualifies for warranty work.
